Test #3 – Spelling in the Spotlight Answer Key

The clues for this puzzle are on the accompanying sheet. You may use your dictionary and the list of misspelled words I gave you last Friday, if you have them with you. However, if you did not bring either with you, you may not borrow from another student or retrieve them from someplace else in the school. You may use pen or pencil as long as your printing is legible.

Test #3 clues

Across

- 1 A government agency
